Students are expected to attend every class and arrive on time. Poor attendance, frequent lateness and early departure will affect your grade seriously. - a) More than 4 absences may result in a failing grade for the course.
- b) If you're your absences exceed 2 classes, you will not receive an A regardless of your semester scores.
- c) 2 late arrivals or early leaves equal 1 absence.

Individual student's absence or tardiness will be excused only with an official written document.
