Course Requirements:

- (1) You are expected to attend every class and arrive on time. Poor attendance, frequent lateness and early departure will affect your grade. If your absences exceed 6 classes, you may fail the course. If your absences exceed 3 classes, you will not receive an A regardless of your semester scores. 3 late arrivals equal one absence.
- (2) Laptops, MP3 players and cellular phones must be turned off during class. You may not leave the classroom during class without the instructor's permission.
- (3) You should have done homework assignments before class to participate fully in the classroom activities. Late homework will not be accepted without the instructor's

permission. There will be no make-up for a missed quiz or test. Missing a quiz or test is the equivalent of a zero (0). Contact the instructor if your absence is justifiable (e.g., an emergency situation with official documentation to support it).

- (4) Weekly lab work is required. Each visit must be at least 30 minutes long. Go to <http://ruhere.rutgers.edu> to see your attendance record.
- (5) You are required to join and visit the website of the textbook publisher, <http://www.kleartextbook.com>, for homework assignments. Audio files for the textbook and the workbook are uploaded there for you to access and download.
- (6) It is recommended that you visit the Sakai course site frequently to check your scores. If you find an error, inform the instructor as soon as possible. Keep all course materials including workbook pages and quizzes in case you need to claim for lost credit.
